

Here's what to expect ...

As you proceed through the site, you will have opportunities to review what you've entered, and you can print any of these intermediate summaries.

After you review the quote and decide to proceed to purchase insurance protection for your shipment, you will be asked for information that will assist us in creating online a *bona fide* Insurance Policy, issued by InsureCargo.com, and underwritten by Fireman's Fund. We will also request information that will enable us to bill your credit card or transfer funds via a check.

You MUST have the free Adobe Acrobat Reader installed to receive the Insurance Policy online. Please go to the [Adobe web site](#) to find installation directions. You can test your install by clicking on this hyperlink: [Test My Adobe Acrobat](#). If it is working properly, you will see a printable 8.5 X 11 copy of this web page suitable for printing.

Details, details ...

To ship certain commodities sometimes involves details that need to be analyzed by an experienced marine insurance agent. A quote of this nature will be referred to as a REFER, and you will find an online expedited process for getting this quote usually within 24 hours.

You will not be able to get a quote for **excluded commodities**.
